**Recommendation Letter**

I hereby recommend Mr. Rudresha GP, who is applying for Master's Program in your university. I have known him for three years as his Architect and mentor.

During this time Mr. Rudresha GP, has showed himself having a committed and strong technical skills. He was involved in multiple projects. He had made and impressive progress in his self-learning skills and research areas. He had assisted the projects of Span InfoTech(India) Pvt Ltd with skillsets like C#, .Net MVC, Entity Framework. As his concepts on Mathematics was stronger which enabled his logical thinking have helped in solving problem complex scenarios in the projects.

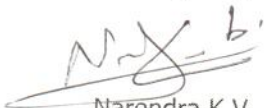

As Mr. Rudresha GP's mentor we have had an opportunity to observe his participation and overall progress. We would rate his overall performance as excellent.

Based on Mr. Rudresha GP expertise he was involved in technical and requirement discussions of multiple projects. His interaction with clients was good since he had strong technical familiarity and excellent communication skills. He handles the assigned tasks very professionally.

In Mr. Rudresha GP work, he has shown himself to be a very bright and diligent young software engineer, one who is able to take hold of new concepts very quickly. His performance is brilliant in all the assignments designated to him. He is most remarkable quality is dedication and commitment in his tasks.

Considering his potential, talent and eagerness to learn, we feel that he is an energetic candidate to pursue higher studies. We strongly support his application for admission in your university. We wish him success in his future endeavors. In case of any query or confirmation feel free to contact me any time.
